This is a great sign for us heedless ignorant people that our true
'Ulamaa are slowly leaving us and the knowledge is being lifted from the earth.
Leaving us in this ignorance filled mundane world, who is going to replace them?

This is a wake-up call for all Muslims!

May Allah Tabaarak wa Ta'ala preserve the Sahih ul 'Aqeedah 'Ulamaa
scholars of Islam and grant our youth to study about this blessed Deen.
Aameen.
