Plucking Eyebrows is HARAM !!!!!!!

Dear Sister, have you really thought about it?
... What does Islam REALLY say about shaping the eyebrows?

'Plucking of women's eyebrows is not permissible'.

The Messenger of Allah (Peace and blessings be upon him) cursed the one who does it.
It is Haram and is not permitted.

The Evidence

Abdullah Ibn Mas'ud said:

I heard the Messenger of Allah (Peace and blessings be upon him) say:

Allah has CURSED the woman who does tattoos and the one who has them done, the woman who plucks eyebrows and the one who has it done, and the one who files her teeth for the purpose of beauty, altering the creation of Allah.*

[Bukhari & Muslim]

*Cursed means 'cast out from the Mercy of Allah

"And when Our Verses are recited to such a one, he turns away in pride, as if he heard them not - as if there were deafness in his ear.

So announce to him a painful torment."

[Noble Quran 31:7]
